DETAILED ACTION

Acknowledgment

1. The request for reconsideration after final filed on 7/3/2006 has been entered.

Allowable Subject Matter

- 2. Claims 1-3, 5-18 and 20-27 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: The prior art does not teach the electric drive system as recited in claims 1, 10, 14 and 17, which include a first engine tuned to have a minimum specific fuel consumption value within a first range of rotations per minute, a second engine tuned to have a minimum specific fuel consumption value within a second range of rotations per minute. Wherein the second range of rotations per minute is different than the first range. The electric drive system also includes a controller configured to operate the first engine within the first range of rotations per minute and the second engine within the second range of rotations per minute. This recitation, in combination with the rest of the recited elements, clearly defines over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
